MASTER BUILDERS VICTORIA

1. REGISTRATION WORKSHOP

This workshop is your first point of contact in obtaining Builder Registration. The workshop outlines the registration classes available and assists you to prepare your application for registration.

Domestic Builder Registration Workshop (Free for members)

Feb 4	March 4	April 1	May 6	June 3	July 1	July 29
-------	---------	---------	-------	--------	--------	---------

2. EMAIL WORK EXPERIENCE FOR SKILLS REVIEW

Upon submitting Part L we review your application, giving specific feedback and advice aimed at strengthening your submission and identifying any further information or training required.

3. SUBMIT HARD COPY OF APPLICATION FOR REVIEW

We review a hard copy of your application, including your evidence portfolio and documents, verifying that all work history examples are compliant and providing advice to strength the application where needed.

4. STUDY SESSION FOR COMPUTER TEST

In preparation for the Victorian Building Authority's Computer Based Test (CBT), our study session walks you through the required material and relevant legislation and work on sample test questions and plan reading exercises; ensuring you are fully prepared and ready for your assessment.

Domestic Study Session (Free for members)

Feb 14	March 21	April 11	May 16	June 13	July 11
--------	----------	----------	--------	---------	---------

5. LEGISLATION AND TECHNICAL WORKSHOP

Master Builders provides a suite of professional development workshops. These workshops are designed to help you prepare for the plan reading assessments at the Victorian Building Authority.

Legislation workshops (\$100 per session)

Contract and Permits essentials	Feb 19, May 14
Setting up a project/site	April 2, June 25

Technical workshops (\$100 per session)

Subfloors (stumps and slabs)	Feb 12, May 21
Wall framing	Feb 26, May 28
Bracing	March 12, June 4
Roof framing	March 19, June 11
Masonry	March 26, June 18
Retaining walls and decks	April 16

6. INTERVIEW PREPARATION SESSION

In preparation for the Victorian Building Authority's face to face assessment our interview preparation session covers general interview skills, practice interview questions and provides an overview of what to expect.

Domestic Interview Session (Free for members)

Feb 21	March 28	April 18	May 23	June 20	July 18
--------	----------	----------	--------	---------	---------

We are offering an additional technical workshop to help you explain how to run a construction project. This session will help you verbalise the construction schedule and technical elements of a project.

Technical workshop (\$100 per session)

Running a project	April 9, July 2
